

Your Invitation to a Civic District Public Open House

On Tuesday April 7 from 6:00 – 8:00 p.m. the Civic District Committee would like to invite you to a public Open House at the Kitchener Main Library, 85 Queen Street North (Hamlin Room) to share your comments on the Civic District Vision and Master Plan.

In the Fall 2007, the Centre In The Square, Kitchener Public Library, Kitchener-Waterloo Art Gallery and Registry Theatre undertook a public visioning process for the Civic District. Through a survey, focus groups, public meetings, and a design charette, the public was invited to identify new opportunities for the programming of, and use of land in, the Civic District.

The Open House will provide an opportunity to share with you the results of the public visioning and master planning process. This public consultation is the next step in the development of a comprehensive plan for the Civic District that will revitalize the area and make it a cultural and recreational oasis in the heart of the city.

As a hub for civic, arts and cultural activities, the Civic District contributes significantly to the City's quality of life. Engaging you to help define the vision for the block will ensure it remains a vibrant public space and continues to meet the needs of this growing community.

Attend the Open House and be a part of the new vision for the Civic District. Imagine the possibilities....imagine the potential of the Civic District!
